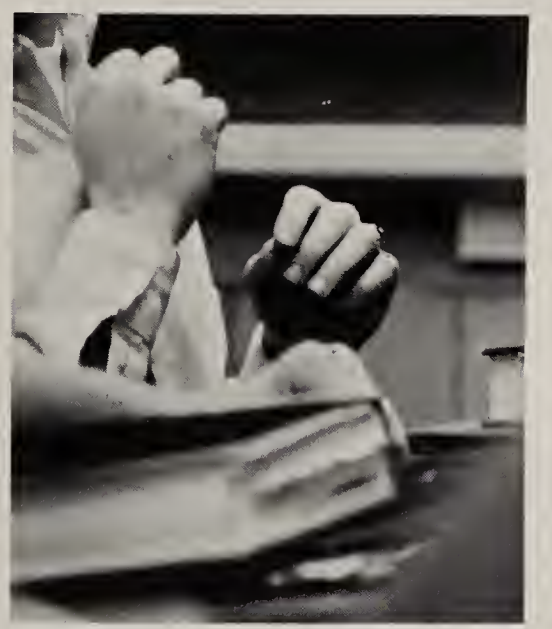
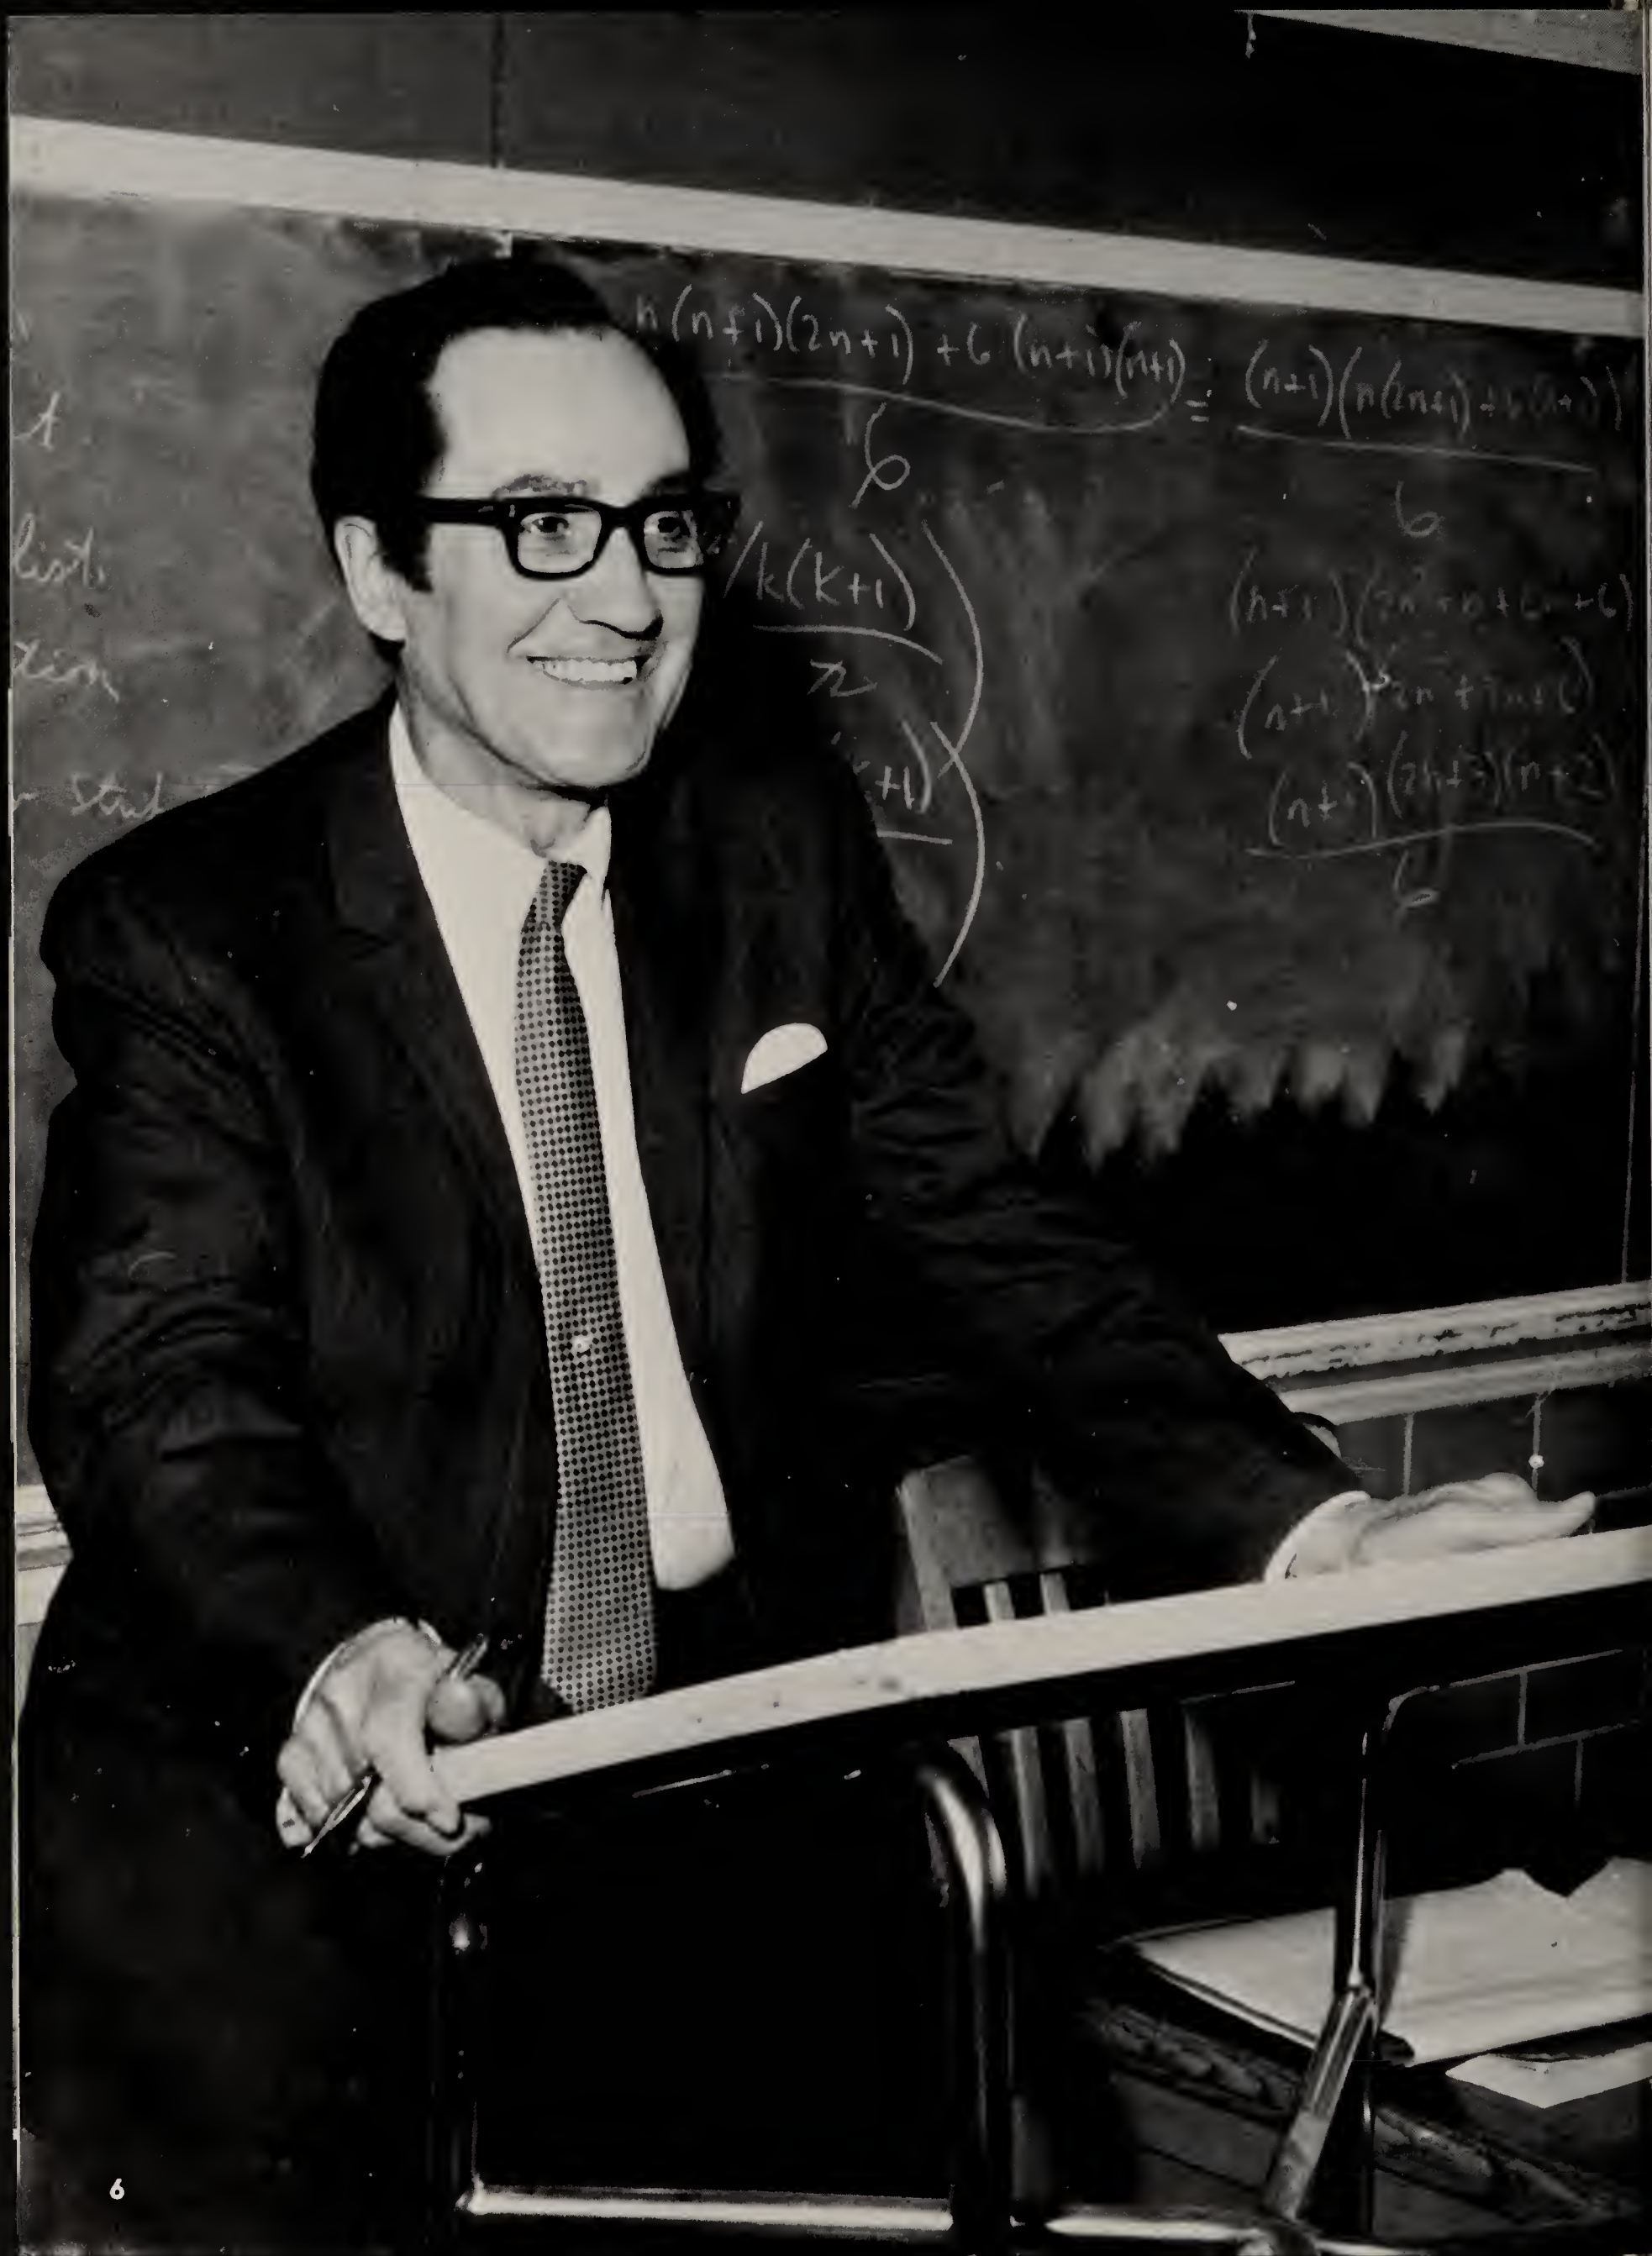
South Adams . . .

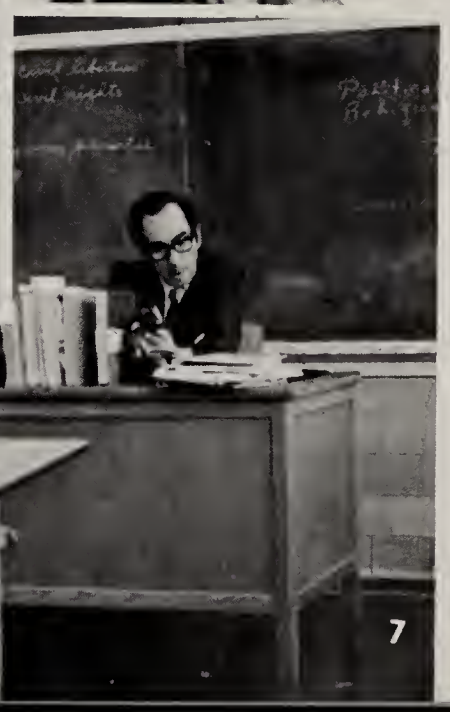


... messy lockers ... slaving over standardized tests ... "move over, I'm a senior!" ... poster splattered walls ... mistletoe and holly ... "I hate to lose" ... crepe paper ... unexcused tardy passes ... "please get off my foot! ... thematic fever ... chaos in the halls ... picture days ... boy, those Frosh sure are little" ... school lunches ... "only 134 more days" ...



Dedication

Because of your impartiality when dealing with our class, your sense of humor, your understanding of our weaknesses, your leadership during our senior year, and your willingness to accept the responsibility of sponsoring our class, We, the seniors of 1969, dedicate this edition of the Reflection to you, Mr. Woodrow Inks.



"We may elevate ourselves, but we should never reach so high that we would ever forget those who helped us get there."

Loyal, witty, full of fun; he's a friend of everyone.

WAYNE YOSS
He who invented work should have finished it!

DEAN ZIMMERMAN
Roll on, old world, and I'll roll with you.

Sandy Rice

An effervescent personality and a quick sense of humor characterized Sandy Rice, this year's Rotary International exchange student.

Coming from Adelaide, S. Australia, she arrived in Berne on the 27th of January in 1968 to live for a year with her American "family," the Luther Yagers, Howard Baumgartners and Mrs. Gordon Liechty.

Besides carrying a full class load, Sandy found time to participate in various clubs and organizations and enjoyed our athletic events.

Upon graduation from high school, Sandy hopes to return to the United States to study law.

Glenn Lehman

In Memory

Glenn Lehman's quiet determination and pleasant personality broke down all barriers that blocked his path.

Glenn's death last summer shocked the South Adams student body. Always his many accomplishments and boyish enthusiasm will inspire those who knew him.

The Sunshine Society was very active in service to others. The club made monthly visits to Swiss Village while occasionally making treats for the teachers. Various other community and school activities were undertaken by the Sunshine Society.

Each year, the members of Sunshine each select an ideal lady who is chosen as a model of ideals and character. The ideal ladies receive anonymous gifts and favors throughout the year from their sunshine girl, and in May, the identity of each Sunshine member is revealed to her ideal lady at the Ideal Ladies Tea.

Bowling Club Creates Competitive Spirit

The purpose of the bowling club is to create an enjoyment for the game of bowling. The club is active on Wednesday, Thursday, and Friday during float periods. The year is divided into two separate seasons, with the winning team receiving individual trophies. There is also a trophy awarded to the most improved player and for the highest individual game.

Cadet Teachers Receive Firsthand Experience

Exploratory teaching is considered one of the most effective experiences for attracting students to teaching. The Cadet teachers, while observing and assisting a master teacher, gain a better understanding of the role of a teacher and of his aptitudes for teaching.

The Cadet Teachers are seniors, carefully selected on the basis of several criteria, the most important of these being an interest of teaching as a career.

A/V Supplies Teaching Aids

The Audio-Visual department, which usually consists of approximately five boys and Mrs. Geraldine Linder, sponsor, delivers equipment to teachers. Occasionally the A/V aide remains to operate the equipment.

Transparancies, dry mounting, picture laminations and duplications are among the other services of the department. Recently the school purchased a video-tape machine which was used extensively in speech classes and the major sports.

Throughout the 68-69 season, the Starfires provided their fans with numerous thrills. The football team, coached by Ledford Benton, enjoyed its finest season in the history of South Adams. The small Starfire team compiled an overall record of seven wins and three losses, while attaining a 4-2 record in the rugged North Eastern Indiana Athletic Conference. Two team members made all-conference teams. They were Dick Pyle, 2nd team backfield, and Jay Smitley, 3rd team lineman. The following boys received honorable mention: Jon Pyle, Bob Garringer, Mike Van Emon, Ted Hiday, and Gregg Werst.

This was a building year for the Starfire Cross Country team, having only one senior on the roster. Considering their lack of experience, the South Adams team ran well all season, even though they won only one meet. In a tough NEIC meet, SA placed 7th. October 8, the date of the Adams County meet, was a bad day for most of the team, but one member sparkled. Roger Robinson, the only senior, ran an excellent race to finish 2nd in the county.

Basketball '69

Left to right: Asst. Coach Stahly, Sheldon Roth, Mike Flueckiger, Rick Culp, Russ Flueckiger, Ron Stauffer, Phil Liechty, Mike Van Emon, Rick Stanley, Rodney Lautzenheiser, Coach Minch. KNEELING: Kim Watson, Steve Sprunger.

The 68-69 Starfire basketball team, coached by John Minch, thrilled the S.A. fans with its great display of teamwork throughout the season. By all standards the Stars lacked the numbers, heighth, and experience required to have a winning season, but because of their desire, spirit, and willingness to work together, they finished with a 13-8 season record. Although the entire team worked together to compile this record, two boys deserve special recognition. Mike Van Emon was placed on the NEIC All Conference second team, and Sheldon Roth made honorable mention.

Pep Club

The South Adams Starfire pep club with its colorful gold and white array many times provided the needed spark for our athletes to put forth the extra effort needed for a victory. The enthusiasm and sportsmanship displayed by these students both at home and away was a credit to South Adams High School.

GREG WERST

Wrestling, in its second year at South Adams, is growing rapidly in popularity. The wrestling team this year, capably coached by Mr. Benton, compiled a 4-8 record. The team competed in two townships and the sectional. In the Manchester Invitational Tournament, Gregg Werst took second in the heavyweight division, Randy Winteregg took third in the 112 pound class, Ed Liechty took fourth in the 133 pound class, and Ron Hirschy placed 4th in the 154 pound class. In the NEIC tourney Ron Branstetter and Gary Liechty placed 4th in their respective weight classes. Steve Ford took 2nd place in the 95 pound class, and Gregg Werst was the NEIC HW champion. In the sectional, Steve Ford placed 3rd in the 95 pound class.

Track

TOP ROW: Sam Beitler, Bob Rich, Rodney Simon, Marvin Schwartz, Tom Kirkdorffer, Greg Springer, Coach Warren. 2nd ROW: Phil Miller, Dennis Van Emon, Gary Liechty, Kent Watson, John Fields, Mark Sprunger. 3rd ROW: James Weidler, Brian Dynes, Russ Flueckiger, Mike Van Emon, Bob Garringer, Rick Stanley, Sheldon Christner.

On the surface, the Kirby Warren coached track team appeared to have an unsuccessful season. Although the Stars didn't win very many track meets, they did gain much experience. In this respect, the season was a success. The track boys placed well in almost every event, but lacked the depth to run up a large number of points. Russ Flueckiger, the only senior on the team, contributed a great deal in both points and morale. Losing only one senior, the track team should be a threat with 10 to 12 lettermen returning. The team will look to Ed Liechty and Mike Van Emon, the two high point men, for future leadership.

Coach Warren with senior track member Russ Flueckiger.

Baseball

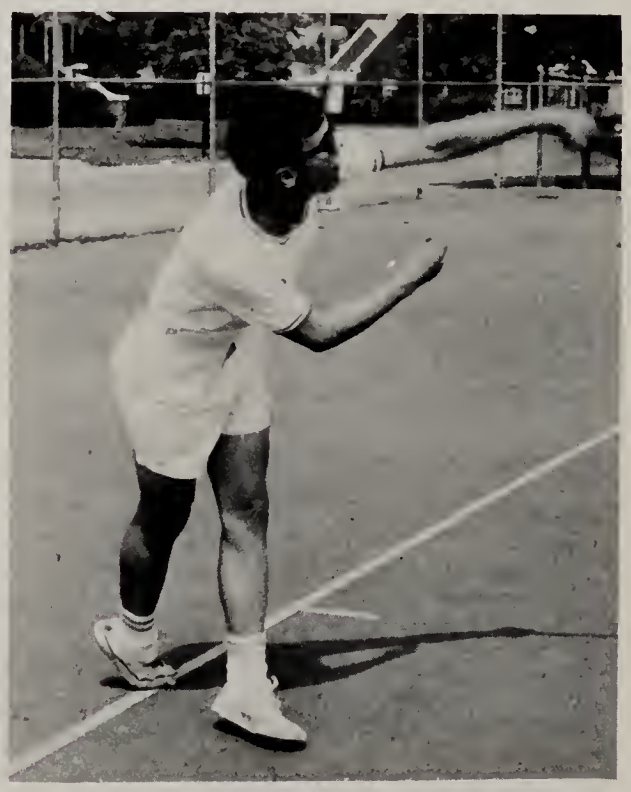
TOP ROW: Asst. Coach Harold Long, Tom Gilliom, Rick Culp, Randy Sprunger, Ned Neuenschwander, Bob Haines, Mike Flueckiger, Coach Harry Anderson. 2nd ROW: Jim Buckingham, Alan Peitler, John Mussleman, Curt Armstrong. 3rd ROW: Kendall Lehman, Glen Agler, Harry Anderson, Neal Rich, Manager George Purdy.

This year's spring baseball team finished the season with a 3-6 conference record, but don't let the record fool you. The Harry Anderson coached Starfires were always tough opponents and usually led most of the way, only to get a bad break in the last inning or two. The Stars should be a real threat in the years to come since they will lose only three seniors.

Tennis

BACK ROW: Bob Stauffer, Chester Richwine, Mike Culp, Tim Lehman, Kent Stuckey. MIDDLE ROW: Coach Norma Jones, David Rigby, Gregg Drake, Tim Stuckey, Ted Sprunger. FRONT ROW: Russell Sprunger, Rocky Bowen, Jack McCrory.

The 1969 spring tennis team, under the leadership of Miss Norma Jones, compiled a 4-6 season record. Although this is not a spectacular record, the Starfires were never "out" of any of their matches, and gained much valuable experience. The honorary captain of the team was senior four year letterman Gregg Drake, while Kent Stuckey was named the most valuable player.



Golf

Left to right: Coach Bresnahan, Mark Bixler, Hal Armstrong, Richard Briggs, Dean Amstutz, Kim Watson, Gregg Nussbaum, Kurt Gerig, Kendric Christener, Bob Kirsch, David Beitler. Not pictured: Mike Fenstermaker.

The Starfire golf team compiled a 7-5 regular season record under the leadership of Coach Tim Bresnahan. The number one golfer on the team was freshman Randy Bixler. He received much support from Hal Armstrong, Richard Briggs, Kim Watson, and Dean Amstutz. Also on the varsity were Kurt Gerig, Gregg Nussbaum, and Kendric Christner. The future golf teams should be very strong since they are losing only one senior, Kim Watson.

Members of the team await haircuts.

Homecoming
1968-69

The queen, Jessica Glendening, is crowned by Debbie Nussbaum.

Senior float places third.

Write-in candidate for queen, Miss Beth Blue, accepts a red rose.

October 12th saw the 1968-69 Homecoming festivities. The day began with a parade through Berne, in which the various classes exhibited floats they had worked on for a week before. The sophomore float captured first place, the junior's, second, and the senior's float placed third.

The mighty Starfires whipped the Portland Panthers, 27-0, while at half-time Jessica Glendening was crowned Homecoming queen. The game was followed by an FFA chicken barbecue. That evening the Student Council sponsored a dance in the gym. The theme was "Happiness is a Queen like Jess."

First prize goes to sophomore float.

Second place is won by Junior float.

Starfires stomp the Panthers.

JESSICA GLENDENING

The six candidates for Homecoming Queen were selected by the Senior Class and were then voted upon by the student body. The final determining factor was based upon a talent show held during a school assembly.

This year's queen, Jessica Glendening, was crowned by the 67-68 queen, Debbie Nussbaum. Jessica's talent presentation was entitled "Fraidy Cat." The other candidates included Sara Jo Biberstein, who gave a dramatic reading of Anne Franke's Diary, Sue Nicholson, who demonstrated the use of the potter's wheel, Kathi Rich, who presented a patriotic reading, Carol Sprunger, who sang and accompanied an original patriotic medley, and Julie Yager, who sang a sampling of songs from "Camelot."

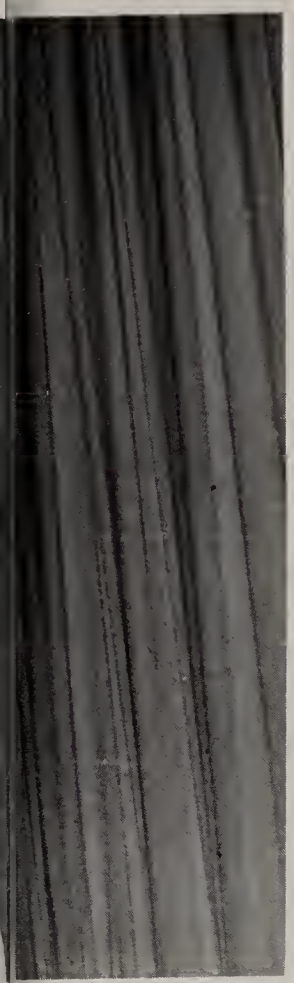
Junior-Senior Reception

The evening began with a movie, A PATCH OF BLUE, starring Sidney Pointier. After the movie a buffet style luncheon was served.

A southern mansion, a plantation garden, roses, magnolias, poppies, and Spanish moss graced the setting for the dance, with music provided by a live combo, that added the final touch to a wonderful evening.

Graduation



The Pathway

You stand so tall on the crest of the hill
Looking down at the valley, peaceful and still;
Tracing the pathway of your ascent,
Feeling the joy of accomplishment;
Recalling the friends you met on the way
As onward you journeyed with each new day.

Then lifting your gaze from this happy sight
You look up to a mountain bathed in light
And feel the urge to go forward and seek
Another pathway to reach that peak,
One you have conquered before in dreams,
What does it matter how far it seems?
Just as you found in your previous climb
You can do it by taking one step at a time!

Dear Marilyn,
Well, we finally made it!
We're actually Seniors! Its gonna
be a great year! Never forget all
the good times we had - the ballgames + all
the pizzas afterward; the slumber parties; the
Coffeeshop (just think of all the good fish we missed!);
the great band performances - esp. contest! Wanna try for 4th
this year?! Remember all the good times we had with Mr. Bedsworth
+ Miss Schurger - we had the noisiest table in the class - but it sure
was fun! There were bad times too - like chemistry! "Those were the days!"
Best of luck in your senior year, Marilyn - Alg. II, "Lord of the
Flies" with our favorite teacher!, + Cadet Teaching, (not to mention
Mr. Jenks!) Good luck in everything you do - Always a friend,
Alice

Marilyn,
My first memory of you
was in Mrs Markenkis English
"arguing" class. But we've come
a long way since then. It
will be hard to keep in touch
after this final year
but we should try.
May God be with
you always - Joan

Dear marilyn,
We're Seniors at last! I can
hardly believe it. Never forget
the fun we had in Miss Schurger's
English class. I hope you have
as much fun in Algebra II as
I did (HA). I hope we get along with
Mrs. Linder like we did last year,
dont You? Good Luck in Everything,
Your friend
Jenny

Marilyn,
Remember Chemistry with Mr.
Huser and our struggle for
survival! Remember our nice
long lunch hours and our one
demerit in a Capella for being
late! Don't forget Sunshine and
washing the dishes in the teacher's
lounge. Remember the projects in
Bookkeeping with dunderhead John
Stucky! Remember the cakes, the
fun and the sneaky things we
did last year. Be good and keep
up your good personality. Good
luck in everything you do (esp. boys!)
A friend always,
Jane

Autographs

Marilyn,
Well the time has come for us to be seniors. I can't believe we made it. I hope we never forgot the good times we had together. (football, basketball, parties & classes). Remember our slumber sessions? We never got any sleep, but we sure did a lot of talking. Well Soon this year will be over & we'll be put out in the world so best of luck.

A friend,
Andie

Marilyn — Wow! Our last year! I can't believe it! But just think of all the stuff we had to go through to make it. Remember Kirby (how could you forget!!) and the wacky stories and pop quizes (I don't think I ever did managed to pass one!). And chemistry — Wasn't it nice to be able to do experiments right!(?) Well, the rest will be a breeze — I hope. Anyway, it was worth all those long, tedious hours! Good luck in everything! (even too, those terrible creatures!) And let's here it for that fabulous (?) class of '70!!

Just me,
June

Dear Marilyn,
We finally made it through to our senior year - but is it as not! Don't forget all the good - and "bad" times we had in school - especially the last. Don't forget our fabulous quartet and the tremendous ratings we received. We really left our mark on S.H.'s music dept. Don't forget your favorite class - Chemistry and the one time we just laughed and embarrassing moment. Rumor has it that this year - alphabet! Thanks for being such a good friend and secret keeper. Hope you get everything you want if you earn it. Good luck in everything you do.

Your friend always,
Karen

Dear Marilyn - It seems impossible that we're actually Seniors but we are! I'm sure this year will be the greatest one we've had yet! Good luck, Marilyn, in everything you want or try. Friends -
Carol

Marilyn,
I remember way back in the 7th & 8th grade when we were in all the same classes. Since then we haven't been together much in classes, but we've still had fun. Best of luck always,
Janet

Marilyn,
I am with you the way back of time in the years to come. You have a training nice person, really and you're where me ...
Along the way
your friend,
Maurice
